

MARY KAY CLINICAL SOLUTIONS®

Boosters are dermocosmetic products containing high-concentration ingredients that have been clinically proven for their efficacy.

Depending on the skin care concern, you or your customer may choose to incorporate more than one booster. Learn more in the HOW TO USE section.

Resurfacer**

ADD BOOSTERS TO YOUR ALREADY-ESTABLISHED SKIN CARE ROUTINE TO TARGET SPECIFIC SKIN CONCERNS.

BEST FOR	LINES + WRINKLES	HYDRATION	BRIGHTNESS / UNEVEN SKIN TONE	SMOOTHNESS
KEY INGREDIENTS	<p>VITAMIN C – Clinically shown to improve the appearance of lines and wrinkles caused by photodamage.</p> <p>RESVERATROL – A highly potent antioxidant with the ability to fight visible signs of skin aging.</p> <p>ACETYL HEXAPEPTIDE-8 – A skin-restoring peptide that helps diminish signals that over time lead to lines and wrinkles.</p>	<p>HYALURONIC ACID (HA) – A powerhouse humectant known to bind more than 1,000 times its weight in water. Two forms of HA take a dual-action approach to combating dry skin.</p> <p>CERAMIDE – Essential for the retention of skin moisture.</p> <p>VERBENA OFFICINALIS EXTRACT – A plant extract known to improve skin hydration and support skin barrier function.</p>	<p>FERULIC ACID – A high-potency antioxidant that acts like a shield to defend from external factors that may lead to skin discoloration.</p> <p>NIACINAMIDE – A form of vitamin B3, this essential nutrient is a brightening superpower.</p> <p>NAVY BEAN EXTRACT – An ingredient known for its brightening efficacy.</p>	<p>POLY-HYDROXY ACID – PHA provides gentle exfoliation on the skin's surface.</p> <p>ALPHA-HYDROXY ACID – AHA provides deep exfoliation below the skin's surface.</p> <p>GLYCERIN – A humectant that helps boost moisture levels.</p>
KEY BENEFITS	Takes wrinkle reduction to the next level with renowned ingredients.	Supports skin's barrier with a unique boost of highly targeted moisturizing ingredients.	Addresses multiple pathways to reduce uneven skin tone and boost skin's brightness with a trio of proven skin-brightening ingredients.	Accelerates surface skin renewal and gently dissolves dead skin cells with a trio of proven skin-smoothing ingredients.
HOW TO USE	After cleansing and toning, squeeze 6 to 8 drops (usage amount may vary depending on personal preference) into hands. Then smooth evenly onto face.			
	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>If using Retinol 0.5 after the retinization process is complete, apply this booster in the mornings and/or on alternate evenings.</p>	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with any other booster, however, choose ONLY ONE of the other three boosters based on your primary concern.</p> <p>If using the HA + Ceramide Hydrator with any of the other three boosters, be sure to apply each one separately.</p>	<p>This booster can be applied both mornings and evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>If using Retinol 0.5 after the retinization process is complete, apply this booster in the mornings and prior to Retinol 0.5 in the evenings.</p>	<p>This booster can be applied 2 or 3 times per week in the evenings.</p> <p>It can be layered with HA + Ceramide Hydrator.</p> <p>This product contains AHA, which may increase your skin's sensitivity to the sun. Use broad-spectrum SPF sunscreen protection, and limit sun exposure while using this product.</p> <p>DO NOT USE with Retinol 0.5, with <i>Clear Proof</i>® products containing salicylic acid or on the same day as other exfoliating products.</p>
USE-UP RATE AVERAGE	One month when used twice daily	One month when used twice daily	One month when used twice daily	4 to 5 months when used 2 or 3 times per week

The **Retinol 0.5 Set** targets multiple benefits and can be layered with certain boosters for advanced skin care solutions.

Mary Kay Clinical Solutions® Retinol 0.5†**

Mary Kay Clinical Solutions® Calm + Restore Facial Milk†

BEST FOR	PREVENT + REVERSE SIGNS OF AGING	POTENTIAL DRYNESS OR IRRITATION DURING THE RETINIZATION PROCESS
<p>KEY INGREDIENTS</p>	<p>RETINOL (VITAMIN A) – The gold-standard ingredient dermatologists recommend for adults of every age to prevent signs of aging you can't see yet, while helping to reverse advanced visible signs of aging.</p>	<p>PLANT OILS – Such as coconut, jojoba seed, safflower and olive oils deliver a power shot of rich fatty acids to nourish and soothe skin.</p> <p>GLYCERIN – A well-known humectant that attracts and retains water to help boost moisture levels.</p> <p>SQUALANE – A natural emollient derived from plants, it is an excellent moisturizer to help support the skin's barrier and reduce dryness.</p>
<p>KEY BENEFITS</p>	<p>Stimulates surface cell turnover. Supports natural collagen and elastin.</p>	<p>Clinically proven to calm irritated skin* and deliver instant hydration,* this nourishing facial milk is powered by four plant oils known for their soothing properties.</p>
<p>HOW TO USE</p>	<p>First-time users of pure, high-concentration retinol must complete the <i>Mary Kay</i>® eight-week retinization process. After skin has been retinized, a pea-sized amount (one pump) of Retinol 0.5 can be applied to the entire face at night.</p> <p>Please refer to the <i>Mary Kay</i>® Retinization Tracker for application instructions.</p>	<p>Apply mornings and evenings before moisturizer. Can also be applied throughout the day as needed to nourish and soothe skin – even over makeup. During the retinization process, <i>Mary Kay Clinical Solutions</i>® Calm + Restore Facial Milk should be used as needed.</p> <p>Please refer to the <i>Mary Kay</i>® Retinization Tracker for application instructions.</p>
<p>USE-UP RATE AVERAGE</p>	<p>During the retinization process, use-up rates may vary due to individual application frequency. After retinization, the use-up rate is 4 to 5 months when using a pea-sized amount (one pump) nightly.</p>	<p>During the retinization process, use-up rates may vary due to individual application frequency. After retinization, the use-up rate is 4 to 5 months if applying twice daily.</p>

DERMATOLOGISTS' COUNCIL SEAL

In developing *Mary Kay Clinical Solutions*® products, Mary Kay went above and beyond the normal process of safety testing and claims review, providing behind-the-scenes access to an external advisory panel of U.S. board-certified dermatologists to help validate the formula and ingredients. The panel includes dermatologists selected for their extensive skin care expertise, scholarship and professional practice. The panel conducted a thorough review and evaluation of clinical tests, data and/or scientific support for the formula and ingredients.

*Results based on two independent clinical studies in which women used the *Mary Kay Clinical Solutions*® Calm + Restore Facial Milk

**Do not use *Mary Kay Clinical Solutions*® Retinol 0.5 if you are pregnant, lactating or planning to become pregnant.
