Wine with Friends

Host a *free* wine tasting!

Real People. Real Fun. Real Good Wine.

What a great time!

My Wine Guide is very knowledgeable and her expertise makes the tasting fun, delicious, AND fascinating! The wine was wonderful and we really enjoyed using the QR code to check ourselves against the tasting notes. What's better than great wine with great friends and a great host?

— Amy S.

Gather your friends and let the tasting begin.

We had a wonderful party with our Wine Guide—we drank, we laughed and we learned all about the delicious wines ... and how Traveling Vineyard wines even come with pairing information. We had so much fun, I've booked a second party already!
