VOXX ICONICS SOCKS

Introducing the Voxx Iconic Collection - statement designs for the fashion forward. As always - all Voxx Iconics socks provide the benefits of embedded Voxx HPT.

Made with a poly-cotton blended yarn. The polyester adds to the strength and wicking of the sock. The cotton provides a softer hand and more drape to the fabric. Longer leg length than our classic Wellness socks. Extra-wide cuff helps to keep the sock in place. Extra padding on the bottom for ultra-comfort.

MATERIAL CONTENT: POLYESTER, COTTON, SPANDEX

VOXX ICONICS DRESS SOCKS

FEATURES

AVAILABLE IN:

VOXXTREAD NON-SLIP SOCKS

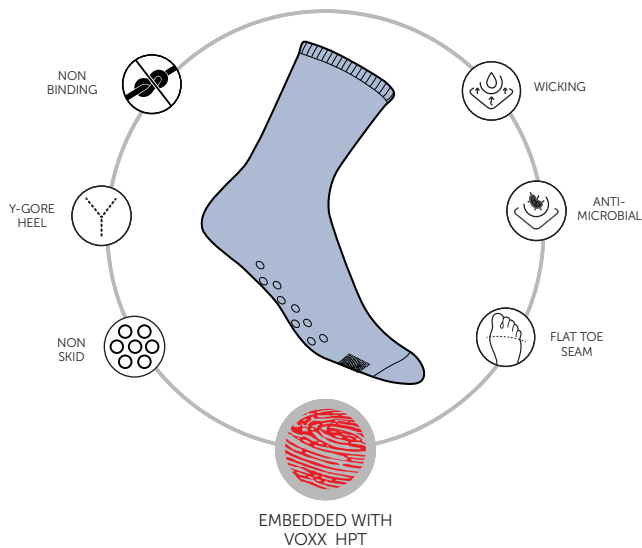

Introducing VoxxTread – the non-slip, wellness house sock.

All the benefits of the classic Wellness Crew sock with Voxx HPT – but with the added benefit of a non-slip sole! Perfect for lazy Saturday mornings, moving from bedroom to bathroom, or just for those rainy days when putting on a pair of shoes indoors seems unnecessary. The non-slip sole provides a superior grip and aids in the reduction of falls.

MATERIAL CONTENT: COTTON, POLY, SPANDEX, NYLON

VOXXTREAD CREW SOCK

FEATURES

VOXXTERRA BOOT SOCKS

Finally, a boot sock with all the wellness and performance advantages of Voxx HPT!

VoxxTerra socks offer outstanding comfort, features, and performance for hiking, work, and all-day wear in a boot or hiking shoe. This mid-size boot sock features full-cushion support and comfort, arch support, and superior moisture wicking for the hard-working majority who spend the day on their feet!

MATERIAL CONTENT: ACRYLIC, WOOL, POLYESTER, SPANDEX

VOXXTERRA FASHION BOOT SOCK

AVAILABLE IN:

VoxxLife has come out with fashion boot socks! These socks have the same makeup as the VoxxTerra boot socks with stylish designs that allow for you to enjoy the comfort of the boot sock while remaining fashionable. These socks come in limited quantities; make sure you get yours before they are gone!

VOXX PROFILES INVISIBLE SOCKS

Like not wearing a sock at all! Low-profile - perfect for flats and sneakers.

Stylish couture 2-pack of the Voxx Profiles are made from an ultra-comfortable soft and skin-loving blend of cotton. Enhanced with Voxx HPT for all the wellness and performance benefits you expect from a VoxxLife sock. A hand-linked toe for ultimate comfort in any shoe and a "Y" heel with anti-slip silicon stripes to help keep the heel in place. The perfect marriage of style and function, nature, and science!

MATERIAL CONTENT: COTTON, POLYESTER, SPANDEX

VOXXLUXE LOW PROFILE SOCK

FEATURES

AVAILABLE IN:

VOXXLIFE INSOLES

VOXXLIFE INSOLES

FEATURES

AVAILABLE IN:

VOXXCLASSIC

Our classic insole is the product that brought Voxx HPT to the masses. Perfect for your "everyday shoe", these can be used while doing day-to-day activities as well as exercise. Classic insoles provide a medium level of cushioning, allowing the wearer to comfortably perform a range of activities.

MATERIAL CONTENT: POLYURETHANE WITH NYLON LINER

VOXXRUSH

Rush insoles are perfect for athletic shoes and aiding athletic performance. With the least amount of cushioning, they allow the user to get a good base to push off from when changing direction or making hard cuts.

MATERIAL CONTENT: POLYURETHANE WITH NYLON LINER

VOXXBLISS

Bliss insoles are the most cushioned insoles that we offer. They are best for people that spend all day on their feet, or for seniors who would greatly benefit from the additional cushioning.

MATERIAL CONTENT: POLYURETHANE WITH NYLON LINER

BELLA & BELLO THIN INSOLES

The Bella & Bello thin insoles offer the perfect combination of improved stability, pain relief and all-day energy. Available in styles for both men and women, these are thin, light, fashionable insoles with all of the advantages of Voxx HPT!

The men's Bello and women's Bella are designed to fit most shoes – with an easy, trim-to-fit-design that allows you to get them just right for your favourite pair of shoes. Both are available in a black single pack and a multicoloured three pack with designs to work with almost any style of shoe. Embedded with Voxx HPT, these thin insoles outperform and offer more benefits than custom orthotics at a fraction of the price!

MATERIAL CONTENT: POLYURETHANE WITH COTTON BLEND LINER

AVAILABLE IN SINGLE AND 3 PACK

VOXXTHERAPY KNEE SUPPORT

This is a brace designed to support the knee joint while providing ergonomic protection and comfort during physical activity. Amazing for hiking, running, golf, tennis, skiing – just about any physical activity you can think of! Voxx Therapy Knee Supports are also embedded with our proprietary Human Performance Technology™. Already, users are reporting increased strength and energy with minimized pain during sports games and physical activity.

MATERIAL CONTENT: NYLON, SPANDEX, ELASTIC

- Effective in managing knee pain caused by activities that put pressure on your knees.
- Supports muscular recovery by assisting in reducing inflammation and stiffness.
- Provides a heating effect for muscular recovery.
- Breathable fabrics provide ergonomic support.
- Suitable for all activities that put stress to the joints like running, basketball, soccer, football, golf, cycling, tennis, hiking, volleyball, skiing, and much more.

VOXXTHERAPY KNEE SUPPORT

FEATURES

COMPRESSION

EMBEDDED WITH
VOXX HPT

HARMONY NEUROPATCH NEUROPLASTIC ADVANCE WELLNESS

These 48-hour patches, placed on the inside of your forearm, provide all the benefits of VOXX HPT and can be worn easily and inconspicuously no matter what the activity.

Wear the patch every day, or if you already love the benefits of VoxxLife socks or insoles, have them handy for those days you just need to ditch the footwear and wiggle your toes!

REMPATCH NEUROPLASTIC SLEEP SUPPORT

VoxxLife brings you OST, Optimized Sleep Technology™, the Neuropath to better sleep.

- Sleep Stages Optimized
- Balances your REM and deep sleep stages
- Enhanced rest assists in rejuvenation of the mind and body

METAPATCH NEUROPLASTIC ADVANCE LIVING

The Metapatch can support neuroplastic harmonization that can contribute to general well being and support for everyday living.

The brain plays a central role in the homeostatic regulation of energy metabolism, integrating multiple peripheral metabolic and neuro inputs. In order to maintain energy homeostasis, the brain regulates diverse aspects of body metabolism.

NEUROVAX NEUROPLASTIC IMMUNE SUPPORT

The NEUROVAX Patch may support neuroplastic communication. This optimized communication may support the immune system.

Parallel advances in neuroscience and immunology have established the anatomical and cellular basis for bidirectional interactions between the nervous and immune systems. Like other physiological systems, the immune system-and the development of immunity-is modulated by neural reflexes.

MATERIAL CONTENT FOR ALL PATCHES: HYPO-ALLERGENIC, POLYETHYLENE ADHESIVE

VOXXMAGIC SHAPEWEAR

Voxx is creating magic for women by presenting them shapewear embedded with Voxx HPT.

VoxxMagic is offering slimming, comfortable, and supportive mid-rise brief which provides core support and high-waist hipster with overall support and smoothing. HPT tech in shapewear is located at both sides of the garment and for extra comfort of the wearer they are made of hypo-allergenic soft silicone.

MATERIAL CONTENT: NYLON, SPANDEX, COTTON

- Comfortable and supportive high-waist slimming shorts.
- Smoothes and flattens the tummy while fabric tension eliminates bulges.
- Extra firm band along the upper waist to prevent rolling down.
- Hugs and shapes the derrière.
- Sculpting short smooths upper legs
- Seamless construction for extra comfort and smooth look under any dress.
- Soft next to skin, lightweight fabric with its powerful stretchability delivers firm control.
- Machine washable.
