

## WANT TO EARN FREE CLOTHES? HOST A ZYIA PARTY!

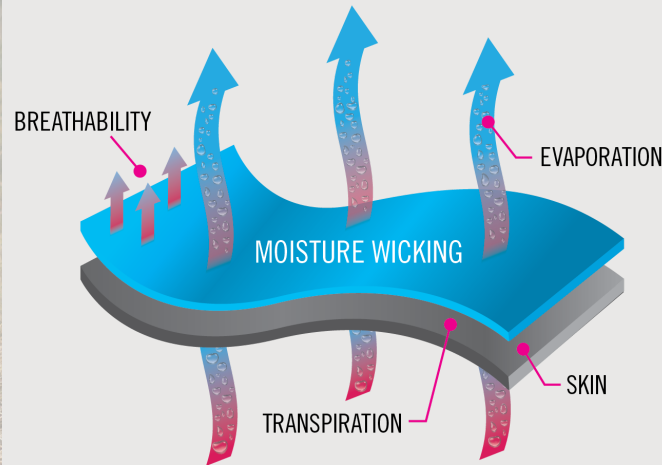

Have a girl's night out, laugh, eat, try on some new clothes and get some free and discounted products!

A ZYIA party is about catching up with friends you haven't seen for a while, meeting new people or planning your next adventure or group run. We keep it simple and fun.

There's no stress for you. All you have to do is provide the home, a treat if you'd like, and the guests. The best part is, the more that sells at your party, the more discounted and free product you get. Plus, you can get rewarded if anybody from your party wants to host a party in the future.

## OUR QUALITY

Most of the fabrics that ZYIA uses are 4-way stretch fabric to help with stretchability, compression, form, fit and comfort. ZYIA also understands that there is so much more than that to good activewear and is always improving and investing in innovation and technology in its fabrics. These technologies will always be a priority for ZYIA.
